

Georgia Pacific Wauna Mill

LCR-42.4L-N

Position - Location: 46° 9.137', -123° 23.870' 46° 9' 8.2", -123° 23' 52.2" 46.15229, -123.39783 Clatskanie

Strategy Objective: Notification : Notify Georgia Pacific of spills that could impact their water intake at Wauna Mill.

Implementation: Call Georgia Pacific at 503-455-3271 and inform them that a spill has occurred.

Field Notes: Intake is on Columbia River OR bank just downstream of Hanson Slough

Watercourse: River - With Tidal Influence - Columbia River across from Puget Island

Resources at Risk: Water Intakes

**Communication Process and Action:**

Call Georgia Pacific at 503-455-3271 and inform them that a spill has occurred. Alert to need to monitor and potentially shut off intake for large industrial surface water withdrawal system located at river bank. This intake also supplies drinking water to the plant.
